The officials whose close relatives are appearing for the Trade Test should not under take the duty of false numbering/re-numbering.

The work should be done according to the instructions attached to this order and action will be initiated against those who violate the instruction and fail to keep the secrecy of the work.

The Principals of the respective ITIs where centralised valuation camps conducted will be the Camp Officer and he/she will distribute the answer paper equally among the teams. The Camp Officer should confirm the availability of good condition numbering machines, numbering ink, pen etc for the work and will make alternate arrangements in the case of absence of any officials and report the matter to this office. All digits in the roll number including code should be entered while re-numbering in the mark list.

The Principals of the camps are authorised to draw and disburse the remunerations to the officials as per the rate fixed by Government.
