No. DGE&T -12/1/2002-TC  
Government of India  
Ministry of Labour  
Directorate General of Employment and Training

New Delhi, dated 6th May, 2002

To  
The State Directors/ UT-Administrators  
Dealing with Craftsmen Training Scheme)  
(As per the list enclosed)

Subject : Affiliation of units / Trades of ITIs/ ITCs with NCVT - regarding

Sir,

The Standing Committee Inspection Reports (SCIRs), Departmental Inspection Reports (DIRs) and Supplementary Inspection Reports (SIRs) forwarded by you and received till 31st March, 2002 by this Directorate General were scrutinized and put up before the members of the Sub-Committee of National Council for Vocational Training (NCVT) dealing with affiliation in its meeting held on 23.04. 2002 at DGE&T Hqrs. New Delhi.

The Committee examined various affiliation cases and approval in deserving cases was accorded by it. The minutes of the meeting of the Sub-Committee are enclosed.

A copy of the statement containing the names of ITIs/ITCs/trades/units in respect of your State which have been approved/rejected along with remarks indicating the conditions for affiliation etc. duly signed is enclosed. On the basis of this you may issue the affiliation orders to the Management of the concerned ITIs/ITCs which have been approved whereas to the others institutes affiliation orders be issued after the stipulated conditions/action as stated in the remarks column has been complied with. The conditions stated for grant of affiliation should be clearly conveyed to the respective institute stating that the deficiencies under Remarks column are to made up. The other conditions of affiliation, if any, are to be complied with before the affiliation order is issued by you.

Your attention is also drawn to the effective date (i.e. SCIR/DR date) of the trades/units kept "under consideration -(UC)". The trainees admitted in the trades/units kept as "UC" may be allowed to appear in the All India Trade test for Craftsman provided they have completed the training period from the date the trade unit has been kept UC i.e. the trainees admitted in the academic session from which affiliation has been kept 'under consideration' and not of earlier batches. However, the Supplementary Inspection Reports (SIRs) in respect of all such UC cases should be submitted within three month, so that these cases are put to the Sub-Committee of NCVT in its next meeting failing which such case will be treated as closed and fresh SCIR/DIR as the case may be, would require to be submitted for the grant of affiliation. Also no admission in such UC cases should be made in subsequent sessions till affiliation to the trade unit is secured with the NCVT.

You are aware that in the meeting of the Committee held on 17.4.2002, the issue regarding grant of affiliation to the trades of Turner and Machinist units of ITIs/ITCs not having "NC/CNC Trainers" and related equipment, as prescribed in the Tool and Equipment list in the curricula of respective trade, and who has

sought affiliation with NCVT was deliberated and the following decisions were taken:

- a. NC/CNC Trainers & related equipment either be procured by the institute itself or be procured by a nodal ITIs/ITCs and trainees from other ITIs located within the vicinity of 50 Kms may use the same equipment.
- b. The concerned State Director dealing with Craftsmen Training Scheme would also ensure that the trainees of such ITIs/ITCs get training on the equipment as prescribed in the syllabus.

The concerned state Director should send the report in respect of these institutes to DGE&T, so that the related SCIR be put up to the Committee in its next meeting for grant of affiliation, failing which all such affiliation reports which were considered in this meeting would be returned.

You are also requested to quote DGE&T file number, indicated below the Institute's name in the list enclosed, for future correspondence.

Yours faithfully,

(Y.P. Sharma)
