New Delhi. The recommendations of the Sub-Committee have been brought in the minutes of the meeting. A copy of the statement containing the names of ITIs/ITCs/Units/Trades with remarks indicating the conditions for recommending affiliation etc. duly signed is enclosed.

On the basis of that, you may issue the affiliation orders to the Management of the concerned ITI/ITC after confirming:-

It may clearly be noted that where ever Not recommended (NR) or 'Not Considered' (NC) has been mentioned, in column 5 of the enclosure, the concerned institute may be instructed not to admit the trainees from the next session and the trainees if any under going training in such trades/units in such ITIs shall not be permitted to appear in All India Trade Test by NCVT to be held in July next. It has also been observed that some state Directors allow the trainees of un-affiliated institutes to appear for NCVT examination. This should not be done at all. In this connection, it may be stated that as a result of this irregularity committed by some State Directors, DGET has to change the procedure for issue of National Trade Certificate's and as such trainees will not be given NCVT certificates.

The State Director are requested to intimate the institution concerned about the recommendation with-in a month from the date of issue of this letter under intimation to this office. Further the SIR/DIR in respect of the cases kept under consideration (U.C.) must be forwarded to this office within three months failing which the case will be considered as closed and only fresh SCIR will be required.
