Sir

This is in continuation to this Directorate General earlier letter of even no. dated 02.07.2014 regarding the Broad Guidelines framed based on the feedback received from States/UTs. In this connection, it is further informed that there will be negative marking in all objective type papers, wherein one mark each will be deducted for four questions wrongly answered by the trainees in the ensuing exam.

In view of above, you are requested to circulate the above point to all the trainees for their awareness in respect of negative marking in the OMR based examination.

Yours faithfully,

(Sunil Kumar Gupta)
