ORDER

As per the Government Orders read 1st and 2nd above wages of persons engaged on daily wage basis were fixed. As per the Government Order read 3rd above orders were issued revising the Pay and Allowances of State Government Employees and teachers. Consequent to this, Government have decided to enhance the remuneration of daily waged/contract employees and to issue certain guidelines for the engagement of daily waged/casual workers/contract personnel in Government Departments, Educational Institutions and Grant in Aid Institutions and following orders are issued.

1. Government and its Grant-in-aid institutions shall as far as possible not engage daily wage or casual workers but have to either report the vacancies to the Public Service Commission or select persons as per the extant special rules or guidelines relating to appointments to any post

as specified in various instructions issued earlier. Government Orders restricting appointment by Daily Wages/Contract Pay/Provisional Appointment through Employment Exchange shall continue in force notwithstanding anything contained in this order.

2. However, in exigencies where Government or Grant-in-aid institutions are compelled to engage persons on daily wages or casual labourers or on contract, their wages/contract pay shall be governed as per the following conditions and the category wise remuneration will be as per the Annexure appended with this order.

3. The appointment of any person on daily wages or on contract does not entitle such person for being regularized in Government service.

4. The persons appointed against the posts specified in the Annexure shall be given daily wages as shown in Column II of the Annexure or if they are on contract, their contract pay will be fixed at an amount not more than what is indicated in Column III of the Annexure, subject to the following conditions:

- i. Such persons on daily wage basis should be engaged only for a period of 179 days at a time. However, in the case of the category of teachers in educational institutions, the persons engaged may be allowed to continue till the end of that academic year.
- ii. In future, wherever inevitable, engagement of any daily wage person/casual labourer/contract staff, shall be done only with the explicit sanction of Government. The proposals for sanction for the appointment in such cases shall contain a certificate to the effect that, the appointment is not against a vacancy of post to which a select list notified as per the Recruitment Rule is in force.
- iii. This order will be applicable to only persons engaged exactly in roles specified in Column I of the Annexure appended. Before any person is paid the daily wages/contract pay as the case may be, the Head of the Institution or such other person duly authorized for the

purpose, who engages such person, shall make sure that the person satisfies all the essential qualifications as well as experience (if any) specified in the Special Rules or the rules of the Grant-in-aid institution as the case may be. Any deviation from this will not be permitted other than with the concurrence of Finance Department.

- iv. If any daily wages or contract engagement has been made to any position other than that exactly specified in Column I in the Annexure, then sanction of Government after consultation with Finance Department shall be obtained before fixing the category of that person for the purpose of disbursing daily wages/contract pay.
- v. If any amount is disbursed to daily wage workers/casual labourers/contract employees in deviation from these provisions, then such excess remuneration shall be the personal liability of the officer who makes such appointment and the person disbursing such excess remuneration.
- vi. Attendance certificate and identification certificate of the persons engaged shall be insisted along with the bills drawing wages for daily waged personnel.

5. The daily wage rate and the monthly contract pay will be revised each year with effect from April 1st, appropriately taking into account the increase in inflation. Finance Department will issue an order in the month of March every year specifying the revised rates. However it will be the discretion of the Government and shall not be a provision in the contract executed in case of contract appointments.

6. Government may place any person who has worked continuously for 10 years or more as on the date of this order, on a contract for 3 years at a time, if have the opinion that such conversion is essential and in public interest, after verifying that the performance, character and conduct of the person is excellent. However, no person working on daily wages or as casual worker will have any right or claim to be considered for appointment on contract basis, and such

appointment shall be solely at the discretion of Government.

7. In the case of daily wage workers, monthly remuneration shall be the multiple of number of days of attendance or total number of working days in a month whichever is less and wage for a day fixed at column II subject to the maximum of the amount fixed at column II of the Annexure. In the case of contract employees, for each number of days of absence other than eligible leave applicable as per the contractual agreement, 1/30 of the contractual amount shall be deducted.

8. These orders will take effect from 01/04/2016
