ORDER

The Deputy Secretary, Directorate General of Employment and Training (DGE&T), Government of India, New Delhi, as per the letter read as 1st paper above has informed that Government of India on recommendation of National Council for Vocational Training (NCVT) have decided to recognize for the purpose of recruitment to subordinate posts and services under Central Government, the National Trade Certificate (NTC) of one year Broad Based Basic Training (BBBT) as well as the National Trade Certificate for Advanced Module awarded to the successful trainees of ITIs implementing multi skill courses under craftsmen training scheme. It is also informed that the decision of the DGE&T may be considered while making recruitment in and under the Ministerial / Departments to posts for which 'certificates at craftsman level' have been prescribed as the requisite qualification. Accordingly Director of Training has requested Government to take necessary action to implement the above decision of Government of India in the department in the State.

2. The Director of Training in the letters read as 2nd paper above has requested Government to equate CoE courses in 10 Advanced Modules to the traditional trades under the Craftsman Training Scheme. There are 10 Sectors in which training is given under Centres of Excellence (CoE) Scheme. Each Sector contain 6 Basic Modules and one Advance Module and In-plant Training in the corresponding Advanced Module. Total training period is 2 years. The Director General of Employment & Training, New Delhi in the letter read as 3rd paper above has again given direction to consider the NTC in CoE Trades for employment purpose in Government/Public Undertakings/Railway Board etc.

3. Government have examined the matter in consultation with Kerala Public Service Commission and they have agreed to issue orders after examining the Memorandum of Government of India and connected records. This has been examined in detail and Government are pleased to recognise the NTC in trades under CoE Scheme (BBBT and Advanced Module) as an equivalent qualification to the NTCs in traditional trades under Craftsman Training scheme for the purpose of employment opportunity in the State Government Departments, Public Sector Undertakings, Corporations, Boards, Autonomous Bodies etc. The details of CoE courses which are to be equated to the trades in the traditional trades under the Craftsman Training Scheme is appended to this Government Order.
