Sir/Madam

Portal has been opened for all ITIs for filling the eligibility of theoretical subjects of semester system till 16th Sept 2021 . Please direct all ITIs to start their activity.Few ITIs had already created eligibility of their trainees in previous phases(List attached with trainees roll no). They are not required to fill their eligibility again.

Further i am herby sharing the list with old centre mapping of theoretical subjects. Please correct this mapping and share to this directorate latest by 15 Sept 2021.

**Please note :- Portal is opened only for semester system trainees.**

Regards

**Aryan Jangra,ISDS**

**Subject:** RE: Semester Hall Ticket Generation different Approaches

Dear Sir,  
13/9/21

For Approach 2

As discussed Please find the data of Exam center mapping for the Existing Hall ticket which was generated and their Exam didn't happened.

*Thanks & Regards,*

*Gunjan Gera*

**Subject:** Semester Hall Ticket Generation different Approaches

Dear Sir,

Please find the below scenario's regarding Semester system changes:

1. **Trainees whose eligibility was created in 2021 by ITIs** – There is no issue in generating the Hall Tickets for those trainees but Date sheet entered by TT Cell for semester system for theory subjects were 1<sup>st</sup> Sept to 18<sup>th</sup> Sept and HTs were already generated with these exam dates. Now we have to delete these HTs and regenerate again after correction of date sheet by TT Cell.
2. **Trainees whose HT was generated in July 2020** – Need to recreate the HT again. Please find the below approaches:

**Approach 1 – Result should be process of semester trainee (Till now only processed those have supple in ED and Practical). After result processing below points will be execute**

1. Trainee who has supple in ED + TT
  - a) ED marks entered and passed - he will be left having supple in TT.
  - b) ED marks entered and again failed he will be left having supple in both.
2. ITI will create Hall Ticket Eligibility for failed trainees to appearing supple . Any trainee failed in ED/Practical after our result processing now should give exam again on date specified by DGT TT Cell.

**Approach 2 - Date & Exam Center Mapping of previous HT will be modified from backend. Please find the below points:**

1. Wipro will provide the list of Trainees Semester wise in excel along with Date and Exam center mapping.
2. TT Cell to conduct the exam Semester wise so that no overlapping will be there for any trainee. For e.g. If one trainee is failed in 4 subjects in Semester 1 then the date will be same for Semester 1 and having enough timing to give the exam.
3. Wipro team will share the current exam center mapping for each ITI and TT Cell to confirm if there is any update in any mapping.
4. Wipro team will update from backend the Exam Date and Time & Exam center mapping according to TT Cell instructions.
5. Post that HT will be generated for the trainees.
6. This process have chances of manual error as this activity needs to be performed through backend.

**Approach 3 – HT to be generated similar to CBT HT**

1. TT Cell to share the data with Wipro team like they are sharing for CBT which will be very difficult as Exam center mapping was done by SPIUs for these trainees.
2. TT Cell to upload the excel like CBT.
3. HT will be generated.
4. This approach will require lot of additional efforts for TT Cell and their co-ordination with SPIUs.

Kindly go through each and every approach and let us know when we can discuss on the same tomorrow morning along with PMU. Based on the decided approach, Wipro team will share the efforts required.

Best Regards,  
Sonal Zakhmi  
Project Manager
