Subject: Affiliation of ITIs / ITCs

Sir,

CX
The Standing Committee inspection Reports (SCIRs), Departmental Inspection Reports (DIRs) and Supplementary Inspection Reports (SIRs) forwarded by you were scrutinized at this Directorate General and recommendations of Directorate General of Employment and Training (DGE&T) were put up before the members of the Sub - Committee of National Council for Vocational Training (NCVT) dealing with affiliation in its meeting held on 7th November, 2000 at DGE&T Hqrs. New Delhi. The recommendations of the Sub Committee have been brought in the minutes of the meeting. A copy of the statement containing the names of ITIs / ITCs / trades / units in respect of your State which have been approved / rejected alongwith remarks indicating the conditions for affiliation etc. duly signed is enclosed. On the basis of this, you may issue the affiliation orders to the Management of the concerned ITIs / ITCs, wherever applicable the conditions stated for grant of affiliation should also be clearly stated that :

- I Defects and deficiencies under ' Remarks ' column are to be made good
- II The conditions of affiliation, if any, are to be complied with.

11/12/2000
Your attention is also drawn to the effective date mentioned against the trades / units kept " under consideration (UC) . " The trainees admitted in the trades/ units kept as UC may be allowed to appear in the All India Trade test for Craftsman provided they have completed the training period from the date the trade has been kept UC i.e. the trainees admitted in the academic session for which affiliation has been kept "under consideration" and not of earlier batches. However, the Supplementary Inspection Reports (SIRs) in respect of all such UC cases should be submitted within three months falling which the case will be treated as closed and fresh Standing Committee Inspection Report (SCIR) / Departmental Inspection Report (DIR) as the case may be, would require to be submitted for the grant of affiliation afresh.

You are requested to quote DGE&T file Number indicated below the Institute's name in the list enclosed in future correspondence relating to these ITIs.

Contd.....

It may please be noted that in the affiliation statement enclosed, wherever in the column and i.e. DGE&T recommendations, "Not Recommended" (NR), / Rejected has been mentioned against trades / units, the concerned institute may be instructed not to admit the trainees from the next session and the trainees, if any, undergoing training in such trades / units in such ITIs / ITCs they should not be permitted to appear in All India Trade Test. It has also been observed that some State Directors allow the trainees of unaffiliated institutes / trades to appear for NCVT examination. This should not be done at all. In this connection, it may be stated that as a result of this irregularity committed by some State Directors, DGE&T is facing a lot of Court cases.

The State Directors are requested to communicate to the concerned institutes about the recommendations immediately under intimation to this Directorate General. Further, the SCIRs in respect of the cases kept "under consideration" must be forwarded to this office within three months failing which the cases will be considered as closed. Thereafter, fresh SCIR will be required, even for such cases which have been kept under consideration due to minor deficiencies.

Yours faithfully,

(V.P. Joshi)

Your attention is also drawn to the effective date of the trades/units kept "under consideration –(UC)". The trainees admitted in the trades/units kept as "UC" may be allowed to appear in the All India Trade test for Craftsman provided they have completed the training period from the date the trade /unit has been kept UC i.e. the trainees admitted in the academic session from which affiliation has been kept 'under consideration' and not of earlier batches. However, the Supplementary Inspection Reports (SIRs) in respect of all such UC cases should be submitted within three month positively, so that these cases can be put to the Sub-Committee of NCVT in its next meeting.

In case the institute fails to make up the deficiencies within the prescribed time limit of three months, it will be responsibility of the concerned State/ U.T Director to inform the institute that U.C. stands withdrawn and fresh standing committee inspection report/ Departmental inspection report depending upon the case is required to be done in such cases under intimation to this Directorate General.

It may please be noted that, the cases, which have been rejected invariably, require fresh standing committee inspection report/ Departmental inspection report depending upon the case for grant of affiliation of trades/ units. Accordingly Institute may please be advised by the concerned State /UT Directors..

You are also requested to quote DGE&T file number as indicated below the institute's name in the list enclosed, while making future correspondence related to respective ITI's/ITC's

Yours faithfully,

To

The State Directors/ UT Administrators

(As per the list enclosed)

Subject : Affiliation of ITIs/ITCs Trade of ITCs with NCVT – regarding -

Sir,

The Standing Committee Inspection Reports (SCIRs), Departmental Inspection Reports (DIRs) and Supplementary Inspection Reports (SIRs) forwarded by you were scrutinized at this Directorate General of Employment And Training Employment and Training (DGE&T) and were put up before the members of the Sub-Committee of National Council for Vocational Training (NCVT) dealing with affiliation in its meeting held on 23.11.2001 at DGE&T Hqrs. New Delhi.

The Committee examined various affiliation cases and approval in deserving cases was accorded by it. The minutes of the meeting of the Sub-Committee are enclosed.

A copy of the statement containing the names of ITIs/ITCs/trades/units in respect of your State which have been approved/rejected along with remarks indicating the conditions for affiliation etc. duly signed is enclosed. On the basis of this you may issue the affiliation orders to the Management of the concerned ITIs/ITCs which have been approved whereas to the others institutes affiliation orders be issued after the stipulated conditions/action as stated in the remarks column has been complied with. The conditions stated for grant of affiliation should be clearly conveyed to the respective institute stating that the deficiencies under Remarks column are to be made up. The other conditions of affiliation, if any, are to be complied with before the affiliation order is issued by you.

Your attention is also drawn to the effective date (i.e. SCIR/DR date) of the trades units kept "under consideration –(UC)". The trainees admitted in the trades/units kept as "UC" may be allowed to appear in the All India Trade test for Craftsman provided they have completed the training period from the date the trade unit has been kept UC i.e. the trainees admitted in the academic session from which affiliation has been kept 'under consideration' and not of earlier batches. However, the Supplementary Inspection Reports (SIRs) in respect of all such UC cases should be submitted within three month. So that these cases are put to the Sub-Committee of NCVT in its next meeting failing which such case will be treated as closed and fresh SCIR/DIR as the case may be would require to be submitted for the grant of affiliation. Also no admission in such UC cases should be made from August, 2002 till affiliation to the trade unit is secured with the NCVT.

You are aware that in the meeting of the Committee held on 17.4.2000, the issue regarding grant of affiliation to the trades of Turner and Machinist units of ITIs/ITCs not having "NC/CNC Trainers" and related equipment, as prescribed in the Tool and Equipment list in the curricula of respective trade, and who have

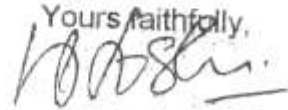

sought affiliation with NCVT was deliberated and the following decisions were taken:

- a. NC/CNC Trainers & related equipment either be procured by the institute itself or be procured by a nodal ITIs/ITCs and trainees from other ITIs located within the vicinity of 50 Kms may use the same equipment.
- b. The concerned State Director dealing with Craftsmen Training Scheme would also ensure that the trainees of such ITIs/ITCs get training on the equipment as prescribed in the syllabus.

The concerned state Director should send the report in this regard to DGE&T, so that the SCIR put up to the Committee in its next meeting, failing which all such affiliation reports would be returned.

You are also requested to quote DGE&T file Number, indicated below the institute's name in the list, enclosed, in future correspondence relating to these ITIs.

Yours faithfully,

(V.P. Joshi)
