Sir/Madam,

As you are aware that MSDE has launched a new age platform, Skill India Digital Hub (SIDH) for Skill Development Activities. The process flows of all DGT schemes, including CTS, have been onboarded on SIDH from 2023 session (includes 2nd year of 2 years trade of session 2022-24).

2. The NCVTMIS portal is scheduled to be decommissioned and it has been converted to Read-Only operation mode from 31.10.2025 for completing migration of all legacy data and functionalities to SIDH. All the stakeholders are requested to access SIDH (https://dgt.skillindiadigital.gov.in) for all operational requirements of schemes of DGT ecosystem including trainee grievances, if any. It is also informed that all legacy services shall be available on SIDH after completing migration process in due course of time. However, services like view & download of data reports through login and public access, download of marksheets & certificates by trainees, verification by employers and dashboard etc. are accessible on NCVTMIS portal in Read-Only Mode.

3. All State/UT Directorates are requested to disseminate this information to all concerned stakeholders within their jurisdiction.

Yours faithfully,

Swati
